

NRMP Applicant Waiver Request Form

NRMP policy requires Matching program participants to offer or accept an appointment if a match occurs, to start training in good faith (e.g. with the intent to complete the program) on the date specified in the appointment contract, and to remain training for a minimum of 45 days. In limited circumstances, the NRMP may grant a waiver of a Match commitment. Applicants and programs are not authorized to release each other from their binding commitment. **Once a party has matched or a position has been offered and accepted during the Match Week Supplemental Offer and Acceptance Program[®] (SOAP[®]), a waiver of the binding commitment MUST be obtained from the NRMP before applicants and programs can apply for, discuss, interview for, or accept an alternate position. The decision to grant or deny the waiver is at the sole discretion of the NRMP and is not subject to arbitration. The [Policies and Procedures for Waiver Requests](#) ("Waiver Policy") governs the NRMP's handling of waivers.**

To initiate a waiver review, complete this form in its entirety and submit to policy@nrmp.org. **Failure to provide all the information requested will delay the processing of your request.** Waiver reviews can take several weeks, depending on how long it takes all parties to respond.

Upon opening the Form, click on the  "Download" icon in the upper right corner of the screen to enter data in the fields. You may contact the NRMP at 1-202-400-2235 with questions.
