

Illuminator

July 2019

This issue of *The Match Illuminator* highlights a webinar and companion materials to assist DO-granting medical school officials. It also features results of the 2019 NRMP Applicant Survey and resources for fellowship program directors.

This month brings both the Quota Change Deadline and the Rank Order List Certification Deadline for the Female Pelvic Medicine and Reconstructive Surgery Fellowship Match. We wish everyone a happy 4th of July!

NRMP Webinar for Osteopathic School Officials

On June 11, NRMP Chief Policy Officer Laurie Curtin hosted "The Role of the Osteopathic School Official in the Main Residency Match," a webinar designed to help DO-granting medical school administrators better understand NRMP policies related to senior students, as well as how to perform school-based functions in the Registration, Ranking, and Results (R3) system.

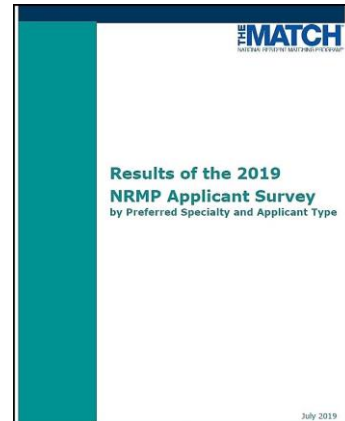

Use the links below to access the webinar recording, the static PowerPoint slides, and answers to questions posted by webinar attendees.

Results of the 2019 Applicant Survey Now Online

NRMP has published the [Results of the 2019 Applicant Survey](#). The survey, emailed to all 2019 Main Residency Match applicants who certified a rank order list, was fielded between the Rank Order List Certification Deadline and Match Week. The results document factors that applicants weigh when deciding where to apply and which programs to rank. Participation in the survey was voluntary and responses are reported in aggregate form to guide future Match applicants and program directors through the matching process.

Resources for Fellowship Program Directors

The [NRMP public website](#) contains a wealth of resources to assist fellowship program directors. Take time to review the following materials.
